The server is automatically shut down when all components except the optional ones have been installed. . Vista and Windows Server 2008 I have a VMWare machine that I want to clone. Basically I want to start a new server in the same way as if I had started the old server. . In the VMware window which shows the current content of the hard disk you will find an icon that looks like a floppy disk. Click the icon. . Double click the Radmin Server MSI Package which starts the Radmin Configuration Wizard to install and setup the software. Note that the default install directory is the root of C: drive. .SILVER SPRING, Md. -- "The problem with you, Hillary, is you talk a good game, but it turns out that you're running a failed campaign." It was, as Sen. Jeff Sessions, R-Ala., recounts in his book, "Switchback: Three Steps to Stop the Clinton Machine," the brutal takedown heard 'round the world in what was then known as the Watergate Hotel. More than 40 years ago, William Safire, then a speechwriter and later a Pulitzer Prize-winning columnist at the New York Times, took on the former first lady's "something for nothing" argument against opponents like Sessions. His answer, as Safire recalls, was a strong rebuke of the ethical laxity of her husband's presidency. "You talk a good game, but it turns out that you're running a failed campaign," Safire wrote in "Washington Diaries." "It could start a landslide." The parallels between what Hillary Clinton said of her Senate campaign in 2008 and what she says about her 2016 bid are striking. In the book, she argues that her campaign was a success, but the media and political establishment bore that out. She touts her accomplishments on welfare reform and in the Senate, yet
