Rebel - 2012 (Telugu Blu-ray) \$29.99...A comprehensive assay of cells in the human lacrimal duct epithelium and its correlation with lacrimal drainage function. The aim of this study was to establish a laboratory assay for studying cells in human lacrimal duct epithelium. The assay consists of a three-stage protocol: (i) attachment of isolated human lacrimal duct epithelium to a defined extracellular matrix, (ii) cell isolation for molecular analyses, and (iii) tissue culture for proliferation and differentiation studies. Using this assay, cells from the lacrimal duct epithelium were
